| <h1>Christian World View and Philosophy</h1> | | | | 998292 | Intellectual Schizophrenia <i>R J Rushdoony</i> | 280 | 31.15 |
| 815050 | Against All Opposition: Defending the Christian Worldview <i>Greg L Bahnsen</i> | 370 | 28.70 | | Rushdoony identifies the basic contradiction that pervades a secular society that rejects God's sovereignty but still needs law and order, justice, science and meaning to life. Secular man wants to use the things of creation while denying their Creator. Thus modern man is schizophrenic. | | |
| 516241 | Christianity – A Total World and Life System <i>Abraham Kuyper</i> | 320 | 16.40 | 064106 | The Return of the Village Atheist <i>Joel McDurmon</i> | 180 | 12.40 |
| | Based on lectures the master apologist Greg Bahnsen gave to students in 1991, this book clearly and simply shows how to defend the Christian faith. We must present Christianity not as merely the most reliable position to hold among the competing options available. Rather, the Christian faith is the only reasonable outlook available to men. 254 pages. | | | | McDurmon's apologetic work is written in response to Sam Harris's <i>Letter to a Christian Nation</i> , which calls for the end of faith and religion. This book tackles popular atheism, the realm of the 'village atheist'. 128 pages. | | |
| 998308 | The Death of Meaning <i>R J Rushdoony</i> | 300 | 28.30 | 063006 | Revolt Against Maturity <i>R J Rushdoony</i> | 680 | 28.30 |
| | In this volume, Rushdoony clearly enunciates each major philosopher's position and its implications, identifies the intellectual and moral consequences of each school of thought, and traces the dead-end to which each naturally leads. There is only one Foundation – Jesus Christ. | | | | Study of the biblical doctrine of psychology. Portrays psychology as a branch of theology dealing with man as a fallen creature marked by a revolt against maturity. 334 pages. HC | | |
| 998513 | Flight from Humanity: A Study of the Effect of Neoplatonism on Christianity <i>R J Rushdoony</i> | 160 | 22.70 | 998384 | To Be As God <i>R J Rushdoony</i> | 420 | 33.00 |
| | A revealing look into the nature and effect of neoplatonism on contemporary Christian thought, and it offers sound Biblical solutions for the believer who desires to fully serve God. 84 pages. | | | | Subtitled 'A Study of Modern Thought Since the Marquis de Sade', Rushdoony considered this one of his more important works. It traces the course of 'enlightened' man's attempts to defy God by priding himself on intellectual achievement. 253 pages. | | |
| 998254 | Foundations of Christian Scholarship: Essays in the Van Til Perspective <i>Edited by Gary North</i> | 525 | 30.35 | 462536 | Unholy Spirits <i>Gary North</i> | 850 | 14.60 |
| | The eight different authors explain how the Bible judges both the framework and the content of each academic discipline. 355 pages. HC | | | | Shows how the theory of an autonomous man is always accompanied by a rise in occultism. 426 pages. | | |
| 576911 | How Should We Then Live? <i>Francis Schaeffer</i> | 430 | 33.00 | 998674 | Van Til and the Limits of Reason <i>R J Rushdoony</i> | 170 | 15.70 |
| | Classic book on the rise and decline of western thought and culture set in a framework of art. 358 pages. | | | | The Enlightenment brought reason to replace revelation. The Christian must see faith in God's revelation as opening up an understanding, as thinking God's thoughts after Him and rationalism as a restriction of thought to the narrow confines of human understanding. These seven essays explore the Van Til perspective that puts God first and centre of all of life. 84 pages. | | |
| 051010 | Infallibility: an Inescapable Concept <i>R J Rushdoony</i> | 150 | 2.95 | 998315 | The Word of Flux: Modern Man & the Problem of Knowledge <i>R J Rushdoony</i> | 240 | 24.00 |
| | A significant book on the concept of infallibility. In a world where relativity holds so many bound, infallibility is so important for God's people to understand. 69 pages. | | | | Exposes the fantasy upheld by most of the modern world that reality is (or will become) a part of man and subject to his imagination. 137 pages. | | |

| Bible Commentary and Reference | | | | | | | |
| 998339 | Chariots of Prophetic Fire (Studies in Elijah & Elisha) <i>R J Rushdoony</i> | 460 | 37.95 | 998209 | Hebrews, James and Jude <i>R J Rushdoony</i> | 520 | 37.95 |
| Rushdoony challenges the church of our day to resist compromise and the temptation to expediency and realise that the power today does not lie in politics or governments but in God's men of faith. | | | | Rushdoony speaks strongly to the church of our time from these three epistles. 238 pages. | | | |
| Commentaries on the Pentateuch | | | | | | | |
| R J Rushdoony | | | | | | | |
| 051212 | Volume 1: Genesis <i>R J Rushdoony</i> | 680 | 76.15 | 051016 | Moses and Pharaoh <i>Gary North</i> | 675 | 17.55 |
| Theology without six-day creationism becomes alien to the God of Scripture because it turns from the God who acts and whose word is the creative word and the word of power, to a belief in process as god. The god of non-creationists is the creation of man and a figment of their imagination. HC | | | | The first part of North's economic commentary on Exodus, provides a detailed study of the conflict between Moses and Pharaoh – a conflict between dominion and power. 448 pages. | | | |
| 051213 | Volume 2: Exodus <i>R J Rushdoony</i> | 1080 | 76.15 | 051028 | Romans and Galatians <i>R J Rushdoony</i> | 920 | 44.00 |
| This thorough examination of the historic path of Israel through the exodus points us to the deliverance that came with the new exodus of Christ's resurrection. HC | | | | Rushdoony's recently published and excellent commentary on Romans and Galatians. Highly recommended. 446 pages. HC | | | |

| This commentary shows how the purpose of Leviticus is to demonstrate the legal foundation of holiness in the totality of our lives, and to equip the church for its redemptive mission. HC | | | | Eight sermons (four from each book) are delightful and thoughtful backgrounds to these two minor prophets. Obadiah is a prophecy of judgement on Edom who bore a grudge against Judah. Jonah records not only Jonah's unfortunate behaviour but also God's dealing with his complaints. 84 pages. | | | |
| 998452 | Volume 4: Numbers <i>R J Rushdoony</i> | 870 | 76.15 | 051020 | The Sinai Strategy <i>Gary North</i> | 600 | 17.55 |
| The book of Numbers reveals God's dealings with two generations – judging the 'Pharaoh's slaves' older generation and training and encouraging the 'God's army' younger one. This commentary illustrates how the Lord desires a people who will embrace their responsibilities. HC | | | | Part two of the economic commentary on Exodus. Largely discusses the ten commandments from the viewpoint of economic theory. 395 pages. | | | |
| 998506 | Volume 5: Deuteronomy <i>R J Rushdoony</i> | 1050 | 76.15 | 998216 | Thy Kingdom Come <i>R J Rushdoony</i> | 460 | 32.15 |
| This defining volume in the series addresses God's demands upon man, family, church and state. Rushdoony uses the book of Deuteronomy to summarise the central tenets of a truly Biblical worldview and shows how this last book of Moses is central to a gospel of victory in time and eternity. HC | | | | First published in 1970, this book helped spur the modern rise of post-millennialism. Contains studies in Daniel and Revelation which show the victorious message of the gospel. 271 pages. | | | |
